

DELIVERING GOOD LOOKS – AND GREAT PROTECTION.

1. SIDE WINDOW AIR DEFLECTORS.

Tinted, acrylic visors let you partially open the windows yet remain dry during inclement weather. Available in sets of two.

2. ALUMINUM RUNNING BOARDS.

Stylishly substantial extruded aluminum boards feature a skid-resistant moulded stepping surface as well as a high-strength durable substructure that can take the pounding your active job dishes out. Running boards feature the Sprinter name.

3. PREMIUM CARPET FLOOR MATS.

Custom-fit, durable, 24-ounce nylon carpet mats feature rubber-nibbed backing to help keep them in place. Available in Dark Slate Grey for front only.

4. CARPET FLOOR LINER.⁽¹⁾

The one-piece liner is constructed of soft black vinyl that covers the entire or partial floor area depending on your seat configuration. It also securely attaches to the hooks on the floor and behind front row seats.

⁽¹⁾ Properly secure all cargo.

SHOWN ON COVER: ALUMINUM RUNNING BOARDS ADD A STYLISH STEP UP.

ACCESSORIES FOR PEOPLE ON THE MOVE.

1. PARKSENSE™ REAR PARK ASSIST SYSTEM.⁽²⁾

This advanced system utilizes ultrasonic technology to assist you when slowly backing up your vehicle during parking manoeuvres. The rear fascia-mounted sensors emit ultrasonic sound waves to a distance of nearly 1.83 m (6 ft). Three different warning tones and a visual alert help identify your vehicle's distance to an object.

2. INTERFACE MODULE FOR iPod®.

This FM-bounded system allows you to listen to your favourite music through your vehicle's audio system. iPod music file navigation is maintained by the iPod click wheel.

3. GARMIN™ NAVIGATION SYSTEMS. GARMIN nūvi® 205.

This GPS system features an anti-glare display with 2-D or 3-D map detail, turn-by-turn voice directions and touch-screen controls. It also comes preloaded with City Navigator® NT street maps for the United States and parts of Canada, hotels, restaurants and more.

GARMIN nūvi® 265W.

Step up to the 265W and you'll add an anti-glare widescreen display, text-to-speech and Bluetooth™ capabilities. Plus, the same quality features packed in every system, including 2-D or 3-D map detail, turn-by-turn voice directions and touch-screen controls. The 265W also comes preloaded with City Navigator® NT street maps for the United States and parts of Canada, hotels, restaurants and more.

GARMIN nūvi® 880.

This premium system features voice recognition software that lets you keep both hands on the wheel as you navigate the road ahead. Other features include a widescreen display, 2-D or 3-D preloaded maps, an FM transmitter and an integrated traffic receiver that gives you alerts about delays and road construction on your

route. It also includes many "must-have" entertainment and travel tools including an MP3 player, audio book player (subscription to Audible.com required), JPEG picture viewer, currency converters and more.

4. REAR-VIEW CAMERA.⁽²⁾

Gain some added insight before backing up. The camera's 3.5-inch diagonal screen shows a view of what's behind you and includes on-screen markers to help you determine your distance from an object.

5. HITCH RECEIVER.⁽³⁾

Built for the long haul, this hitch receiver allows you to tow up to 2268 kg (5000 lb) when properly equipped with weight distributing equipment. Hitch Ball, Ball Mount, Hitch Plug and Wiring Harness are also available, sold separately.

6. RATCHET TIE-DOWN STRAPS.

Our nylon straps easily attach to prefitted lashing rails. The ratchet tie-downs release easily and provide greater tension for holding down loads securely.

7. DOUBLE-STUD TIE-DOWN RINGS.

Spring-loaded ring is designed for use with bed floor or wall tracking and utilizes a dual stud connection with high-strength stainless steel rings for maximum-strength tie-down loads.

⁽²⁾Always check entire surroundings before backing up. ⁽³⁾Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped.

THE AUTHENTIC DIFFERENCE.

A passion for uncompromising performance and quality is the essence of the Authentic Difference, and it's forged into every part and accessory we make today. As the official parts and accessories division of Chrysler LLC, Mopar® is original equipment. Which means every Authentic Dodge Accessory by Mopar in this catalogue is designed by a Chrysler Engineering Team – the people who know your Sprinter better than anyone else.

It's a difference you'll recognize in the higher standards and tighter tolerances required of original equipment accessories. You'll see it in our materials, which provide a superior finish and an exact vehicle colour match, as well as in the integrated fit that comes from utilizing the same computer modeling technology that's used to design your vehicle.

You'll appreciate it in our stricter testing standards, from demanding salt bath corrosion tests and impact performance tests to harsh on- and off-road durability testing. And you'll discover that all Authentic Dodge Accessories are designed so they will not adversely affect your vehicle's original performance specifications, such as engine cooling and proper air bag deployment – a common problem with many aftermarket accessories.

If you're looking to enhance your Dodge Sprinter with premium protection, convenience, style or entertainment, choose the Authentic Difference. Just like our accessories, it's a statement – and a standard of excellence – you'll benefit from for years to come.
